

EXHIBIT WITH US SLEAPKOSH

11TH – 13TH JULY 2025

Exhibit with us at SleapKosh 2025, a 3-day fly-in and airshow. Started in 2020, SleapKosh has grown into a huge fly-in event, with over 400 aircraft flying in from around the UK and Europe. Although not open directly to the general public by road but the event attracts 2000 pilots and members who are all looking forward to a weekend of fun, beer, live music and sales!

The exhibitor area is growing each year and in 2024 attracted over 20 exhibitors, with more booked in 2025! With such a target market at the event and relaxed vibe it is the most exciting GA show on the calendar!
